

### **MHS SBHC COVID PROCEDURES:**

**CURRENTLY:** Accepting In-Person Appointments for Sports Physicals, Mental Health Appointments and Nutrition Appointments. Mental Health and Nutrition can also be done virtually at the present time.

For in-person appointments prior to start of school:

- Conduct COVID Screening via phone before appointment is scheduled.
- Once scheduled, students arrive 10 minutes prior to the appointment time and will be screened once again at the door of the building, including a non-contact temperature scan.
- All paperwork **MUST** be completed prior to entering building. The appointment may need to be rescheduled if the forms are not complete.
- At this time **ONLY** the student can come into the wellness center for the appointment. Parents and siblings will be required to wait in the car.
- All students entering the building will be required to wear a face mask at all time.
- All providers and SBHC staff will be required to wear a face mask and safety glasses/or a face shield at all times.

Scheduled in-person appointments are being structured to allow for thorough cleaning between appointments. All point of contact/high touch surfaces will be cleaned and sanitized between appointments. A list of all daily SBHC visitors (SBHC Staff, School Staff, students Appointments and other visitors) will be kept for the purposes of contact tracing.
